

Susan Rossi Brancato

Susan began sketching as a girl in the Bronx, NY. Little did she know that many years later, in her mid-eighties, she would again listen to her artistic voice and begin her most productive artistic period in the medium of oils.

A Rockland County resident, mother of three, grandmother, great-grandmother and founding member of the Penguin Rep Theatre in Stony Point, Susan continues to trun out canvases at 90 years of age. She paints weekly with her mentor Andy Mollica of Garnerville and indeed is an inspiration to us all.

Enjoy!
